Forecast For Northeast England
Issued by Met Office Exeter
at 1600 on Thursday 04 Feb 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cloudy and wet. Cold winds.

This Evening and Tonight:
It will be cloudy through this evening and overnight, with outbreaks of occasionally heavy rain. Easterly winds will be strong over hills and along coasts. Minimum temperature 2 deg C (36 deg F).

Friday:
Remaining cloudy with further outbreaks of rain, this may turn wintry over the higher Pennines and Cheviots. Feeling cold in the sometimes strong easterly winds. Maximum temperature 5 deg C (41 deg F).

Outlook for Saturday to Monday:
Rain will turn increasingly to snow on Saturday, turning more showery later. Further snow showers expected through Sunday and Monday, occasionally bright. Feeling increasingly cold in sometimes strong easterly winds.
